# FOR 60 YEARS . . .

in peace and war, we have endeavoured to produce good work at a fair price. The success of this policy is shown by our record of steady progress, and by the fact that many of our original customers of 1879 still entrust us with their work.

In these days of National Emergency, with supplies of paper and other materials drastically curtailed, we take this opportunity of thanking our customers for their confidence in us, and of assuring them that all our efforts are now directed upon the continued supply of their essential requirements.
